**Flower Pots  
&  
Gardening Accessories**

Dear Kind Madam, Sir,

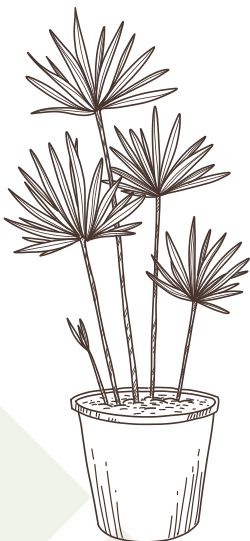

Welcome to our family-owned business! We produce plastic flowerpots, gardening accessories, and other plastic industrial products. From %100 recycled plastic materials by using electrical power made from our roof-top solar system in 15.000 square meters of indoor production and 3.000 square meters we are doing our best to produce the best.

**100%**
